# SHS North America

## Metabolic Conference

---

Fatty Acids in Metabolic Disorders

Homocystinuria

Bone Health in Pediatric Patients

Current Issues in Metabolic Disorders

---

2003 *October 10, 2003*

**Doubletree Hotel**  
821 Washington Street  
Boston, MA 02111  
617.956.7900

## General Information

**SHS North America** invites you to a conference designed for professionals interested in the dietary management of metabolic disorders. This symposium will also be available both days through telephone conferencing. SHS would like to thank Fran Rohr, Children's Hospital, Boston and Valerie Austin, Hospital for Sick Children, Toronto, for their efforts in the organization of the scientific aspects of this conference. Thank you also to all our speakers for their time and contribution.
